# Program Description

It is one of the programs of the Deanship of Scientific Research (DSR) at Shaqra University, which aims to motivate faculty members to publish in distinguished journals within the Web of Science, provided that they fall under the strategy and priorities of the research plan supported by the DSR. Accordingly, researchers can be compensated for the expenses of publishing fees according to a set of terms and conditions, given the importance and impact of published work on the university's classification locally and internationally.

# Program Objectives

# Program Terms and Conditions

- ① The financial support is available until the total budget allocated for the program at the Deanship of Scientific Research is utilized.
- ② Shaqra University must be the primary affiliation of the researcher and correctly spelled in the research paper.
- ③ The author's name must appear on the research as the main author or the corresponding author.
- ④ The researcher is required to state the following statement in the acknowledgement section (The author would like to thank the Deanship of Scientific Research at Shaqra University for supporting this work).
- ⑤ The submitted research should be linked to the Kingdom's Vision 2030, and Shaqra University's research priorities.
- ⑥ The research should not be previously supported by the Deanship of Scientific Research.
- ⑦ The researcher must comply with the standards and ethics of scientific research.

# Program Terms and Conditions

- ① The research must not be taken from the researcher's thesis or dissertation, and must be in the form of an original article or a systematic review (Reviews/ Meta-analysis/ Meta-synthesis).
- ② The researcher has the right to submit more than one application during the same financial year.
- ③ The author must have an active account affiliated with Shaqra University in the following:
  - Google Scholar
  - ResearchGate
  - ORCID
- ④ The research has obtained final approval for publication (Accepted for Publication) in one of the journals classified in the Web of Science and falls under the classification of Q1-Q4 and should meet the following criteria:
  - Open access.
  - The approval or publication date should be within the announced time period.
- ⑤ The compensation is limited to the basic expenses of publication fees up to the amount of 5,000 Riyals, without other additional expenses such as editing, proofreading or obtaining a hard copy of the paper or its issue.

# Application procedures

01

Complete the program application and declaration.

02

Complete the online application form in the program page in the Deanship of Scientific Research (DSR) website, and attach the following:

- Upload the program application + Declaration.
- Upload the published research in PDF format.
- Upload the researcher CV.
- Upload the JCR report from Web Of Science.
- Upload the publication fees, bills and payment receipts.

03

Any incomplete submission files will not be reviewed or accepted.
