Vision:

Seeking leadership and excellence in language and literature to realize the aspirations of the university, quality requirements and labour market needs in accordance with the Kingdom 2030 vision.

Mission:

Introducing academically and professionally qualified graduates in English language and literature, able to compete in the labour market. Developing English language programs in compliance with local and International quality requirements as well as contributing to community service.

Department Values:

- 1- Quality & Academic Excellence
- 2- Qualified Outputs
- 3- Distinguished Academic Research
- 4- Effective teamwork
- 5- Constant Development & Creativity

Department Objectives

1. Equipping cadres of graduates with required knowledge and skills in the English Language to cover the practical needs of the local and regional markets.
2. Activating educational plans to achieve quality as required by the National Authority for Evaluation and Academic Accreditation.
3. Encouraging scientific research and publishing in internationally renowned publications.
4. Holding workshops for community services.
