# Program Description

The program is interested in supporting exceptional research proposals that aim to publish the largest number of high-quality research in addition to finding solutions to the social, medical and technical issues facing the individual's life in line with the university's research strategy and identity.

# Program Objectives

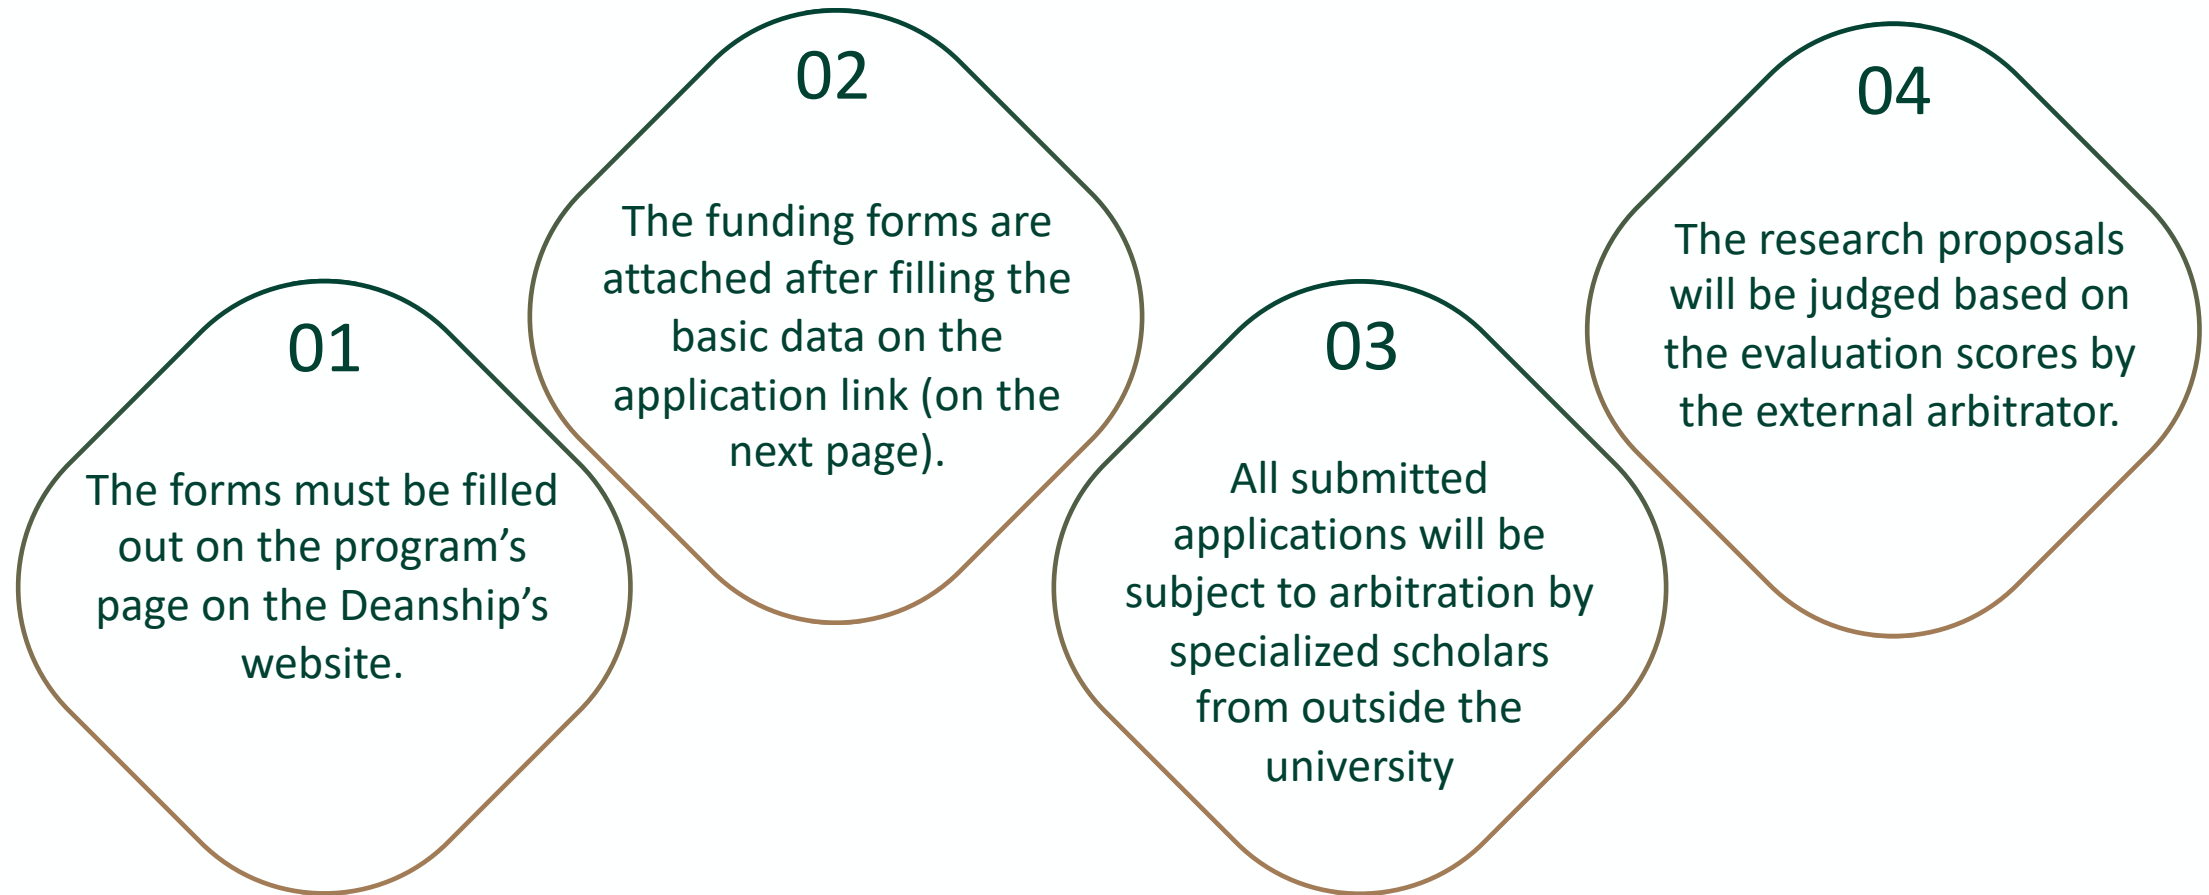

# Program Terms and Conditions

- The project outputs must align with Shaqra University's research priorities
- Shaqra University must be the primary affiliation of the researcher and correctly spelled in the research paper.
- The duration of the project shall not exceed 12 months, starting from the date of signing the contract.
- The principal investigator must be from Shaqra University.
- The research should not be previously supported by the Deanship of Scientific Research.
- The researcher/research team is obligated to publish the research outputs in scientific journals listed within the Web of Science database. The number and nature of the required research papers will be determined upon signing the contract.

# Program Terms and Conditions

- ① The research must not be taken from the researcher's thesis or dissertation, and must be in the form of an original article or a systematic review (Reviews/ Meta-analysis/ Meta-synthesis).
- ② The researcher is required to state the following statement in the acknowledgement section  
(The author would like to thank the Deanship of Scientific Research at Shaqra University for the financial support through the Research Support Program under the code (.....)).
