

Dr. Raed Shujaa Alotaibi

Associate Professor of Information Systems

About me

I am highly talented and ambitious. I gained my Doctorate, Master, and Bachelor Degrees in Information Systems. I have the required practitioner qualifications along with comparable experience of working to the highest standards. I am qualified to practice with the highest standards and I have a long track record of expertise in digital transformation that is delivered to the utmost quality. I am able to lead teams on all kinds of digital transformation projects where the best standards are routinely demanded. I can deliver high-value projects in organizations and across remote geographical locations and guide well and work hard to manage, and meet stakeholder expectations.
