

# High-Quality Scientific Publishing Funding Program

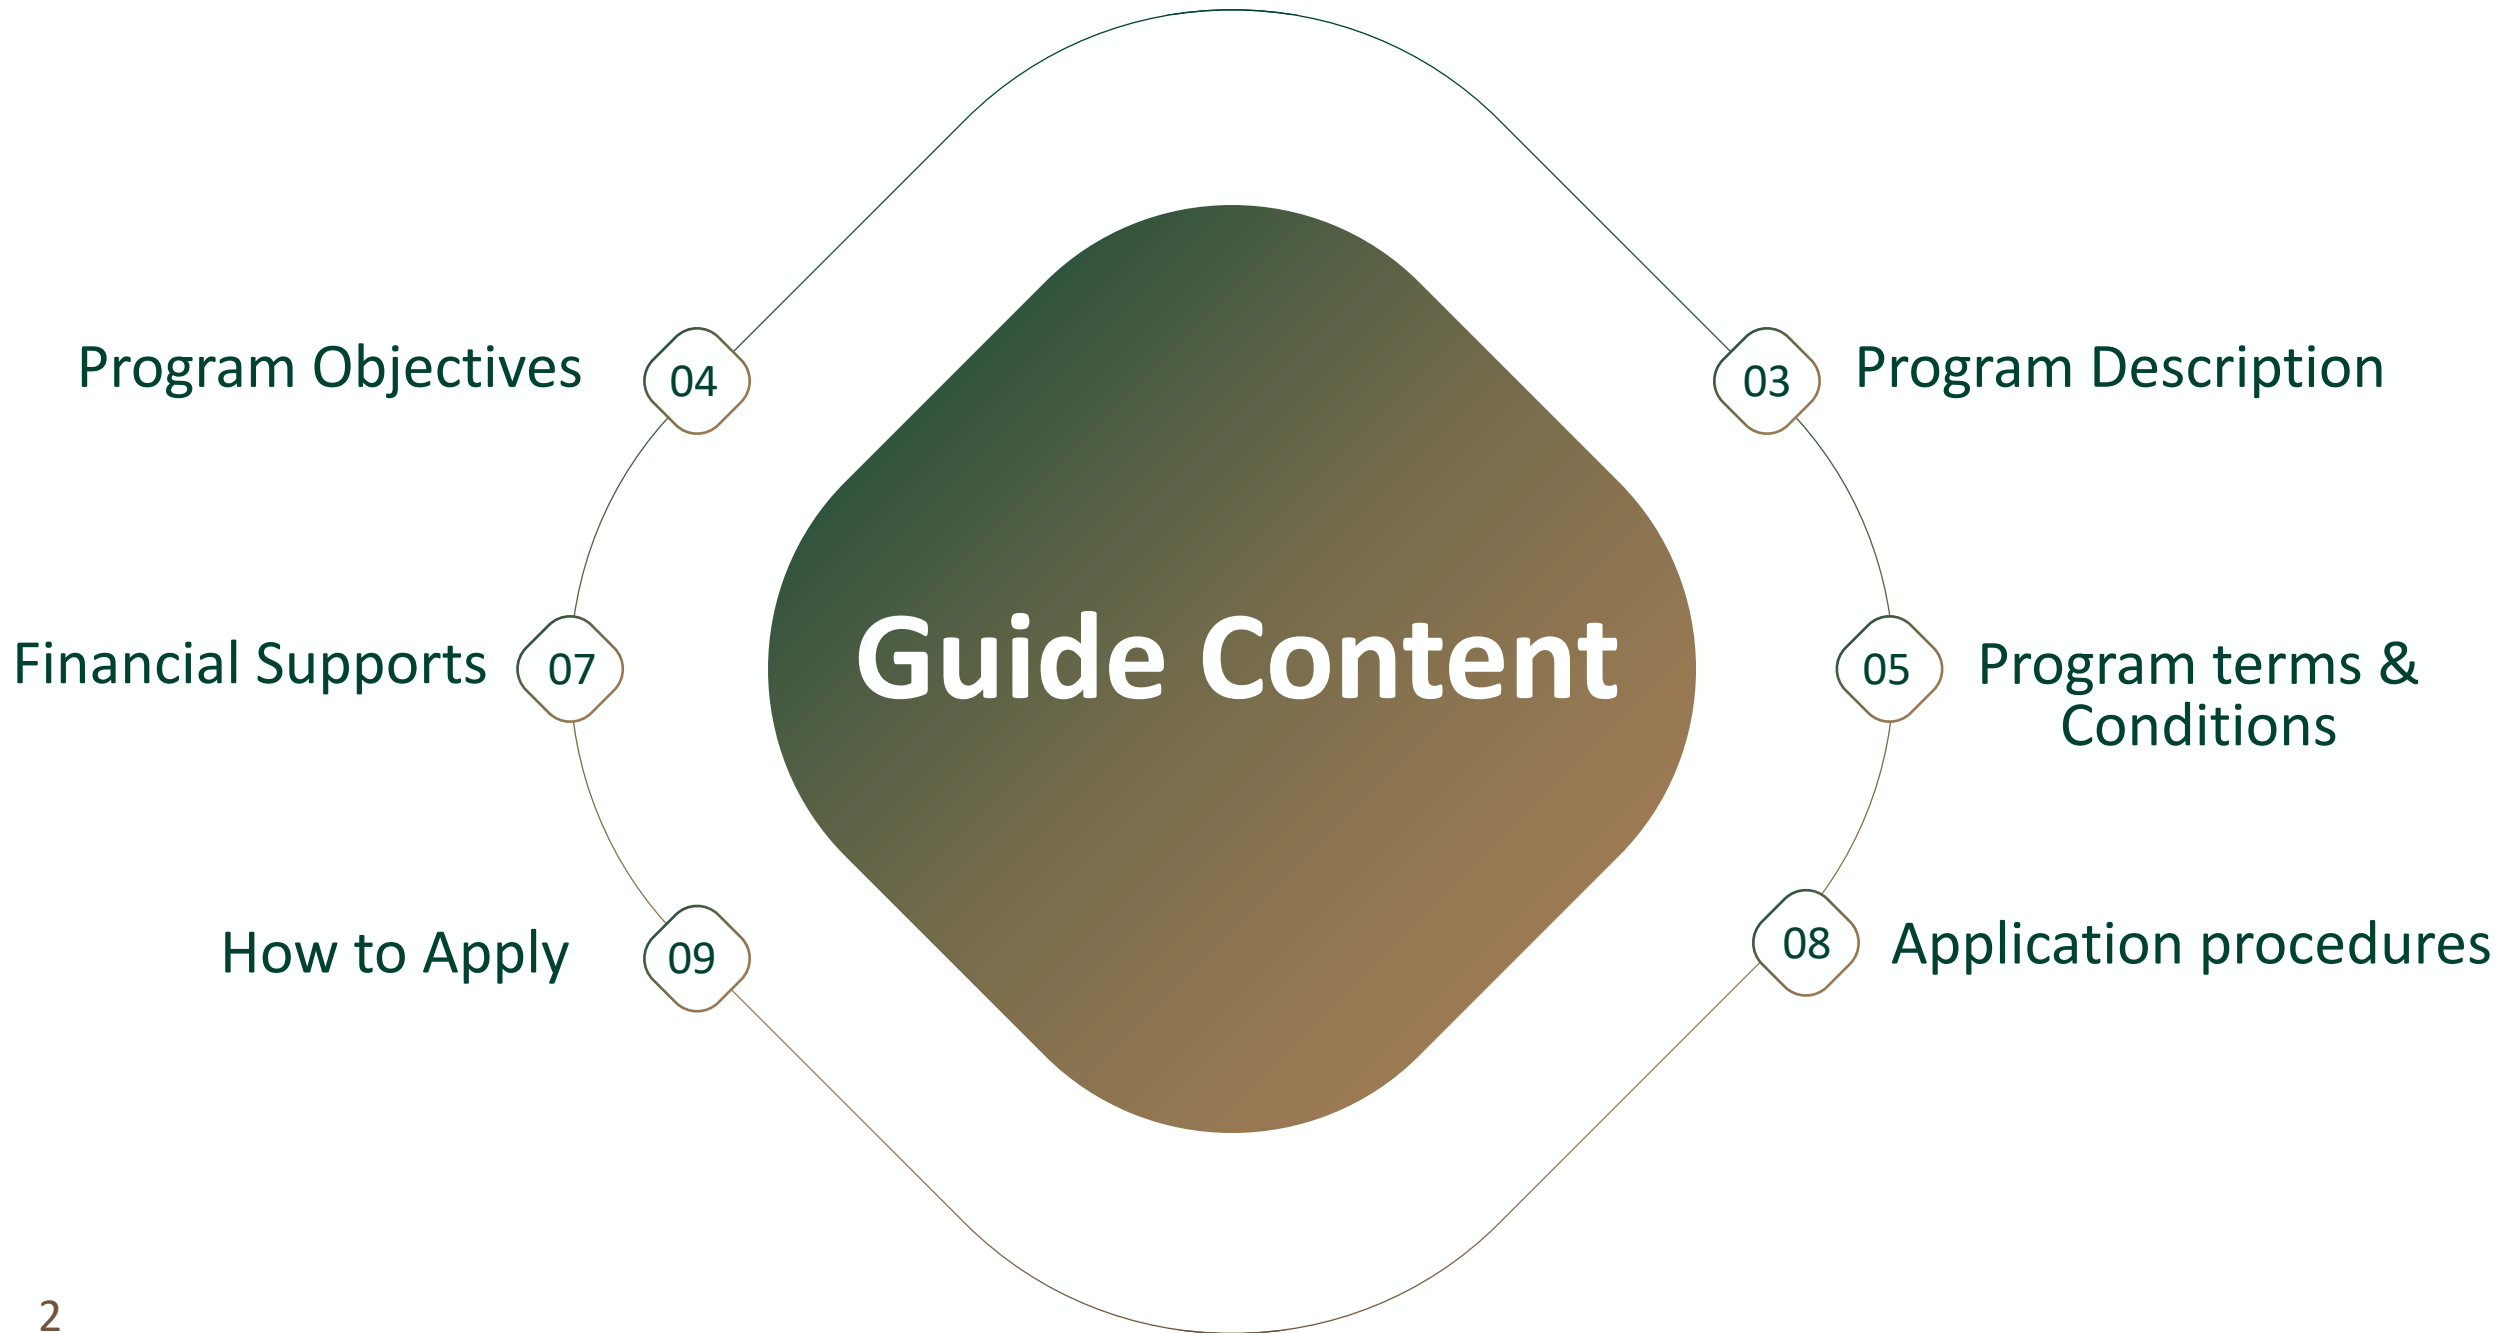

Program Description

Program Objectives

How To Apply

# Program Description

It is one of the programs of the Deanship of Scientific Research at Shaqra University. The aim of the program is to encourage and support the distinguished scientific publishing of faculty members in the Web of Science in order to raise the rates of published work in the name of the university. The initiative supports publishing in high-quality scientific journals classified within the first and second quarters at the Web of Science. The financial rewards Are distributed according to the quality of the paper in four specific categories:

| Financial support | AJIFP*            | Category                           |
|-------------------|-------------------|------------------------------------|
| 20,000 SAR        | AJIFP ≥ 90%       | 1 <sup>st</sup> Category<br>1-10%  |
| 15,000 SAR        | 80% ≥ AJIFP < 90% | 2 <sup>nd</sup> Category<br>10-20% |
| 12,000 SAR        | 70% ≥ AJIFP < 80% | 3 <sup>rd</sup> Category<br>20-30% |
| 10,000 SAR        | 50% ≥ AJIFP < 70% | 4 <sup>th</sup> Category<br>30-50% |

\* Average Journal Impact Factor Percentage

# Program Objectives

# Program Terms and Conditions

01

The financial support is available until the total budget allocated for the program at the Deanship of Scientific Research is utilized.

02

The submitted research should be linked to the Kingdom's Vision 2030, and Shaqra University's research priorities.

03

Shaqra University must be the primary affiliation of the researcher and correctly spelled in the research paper.

04

The research should not be previously supported by the Deanship of Scientific Research.

05

The author's name must appear on the research as the main author or the corresponding author.

06

The researcher must comply with the standards and ethics of scientific research.

07

The researcher is required to state the following statement in the acknowledgement section (The author would like to thank the Deanship of Scientific Research at Shaqra University for supporting this work).

# Program Terms and Conditions

09

The research must not be taken from the researcher's thesis or dissertation, and must be in the form of an original article or a systematic review (Reviews/ Meta-analysis/ Meta-synthesis).

10

The research must be published or has obtained the final approval for publication (Accepted for Publication) in one of the journals under the categories in the above table\*, within the time period announced at the official program launch.

11

The author must have an active account affiliated with Shaqra University in the following:

- Google Scholar
- ResearchGate
- ORCID

12

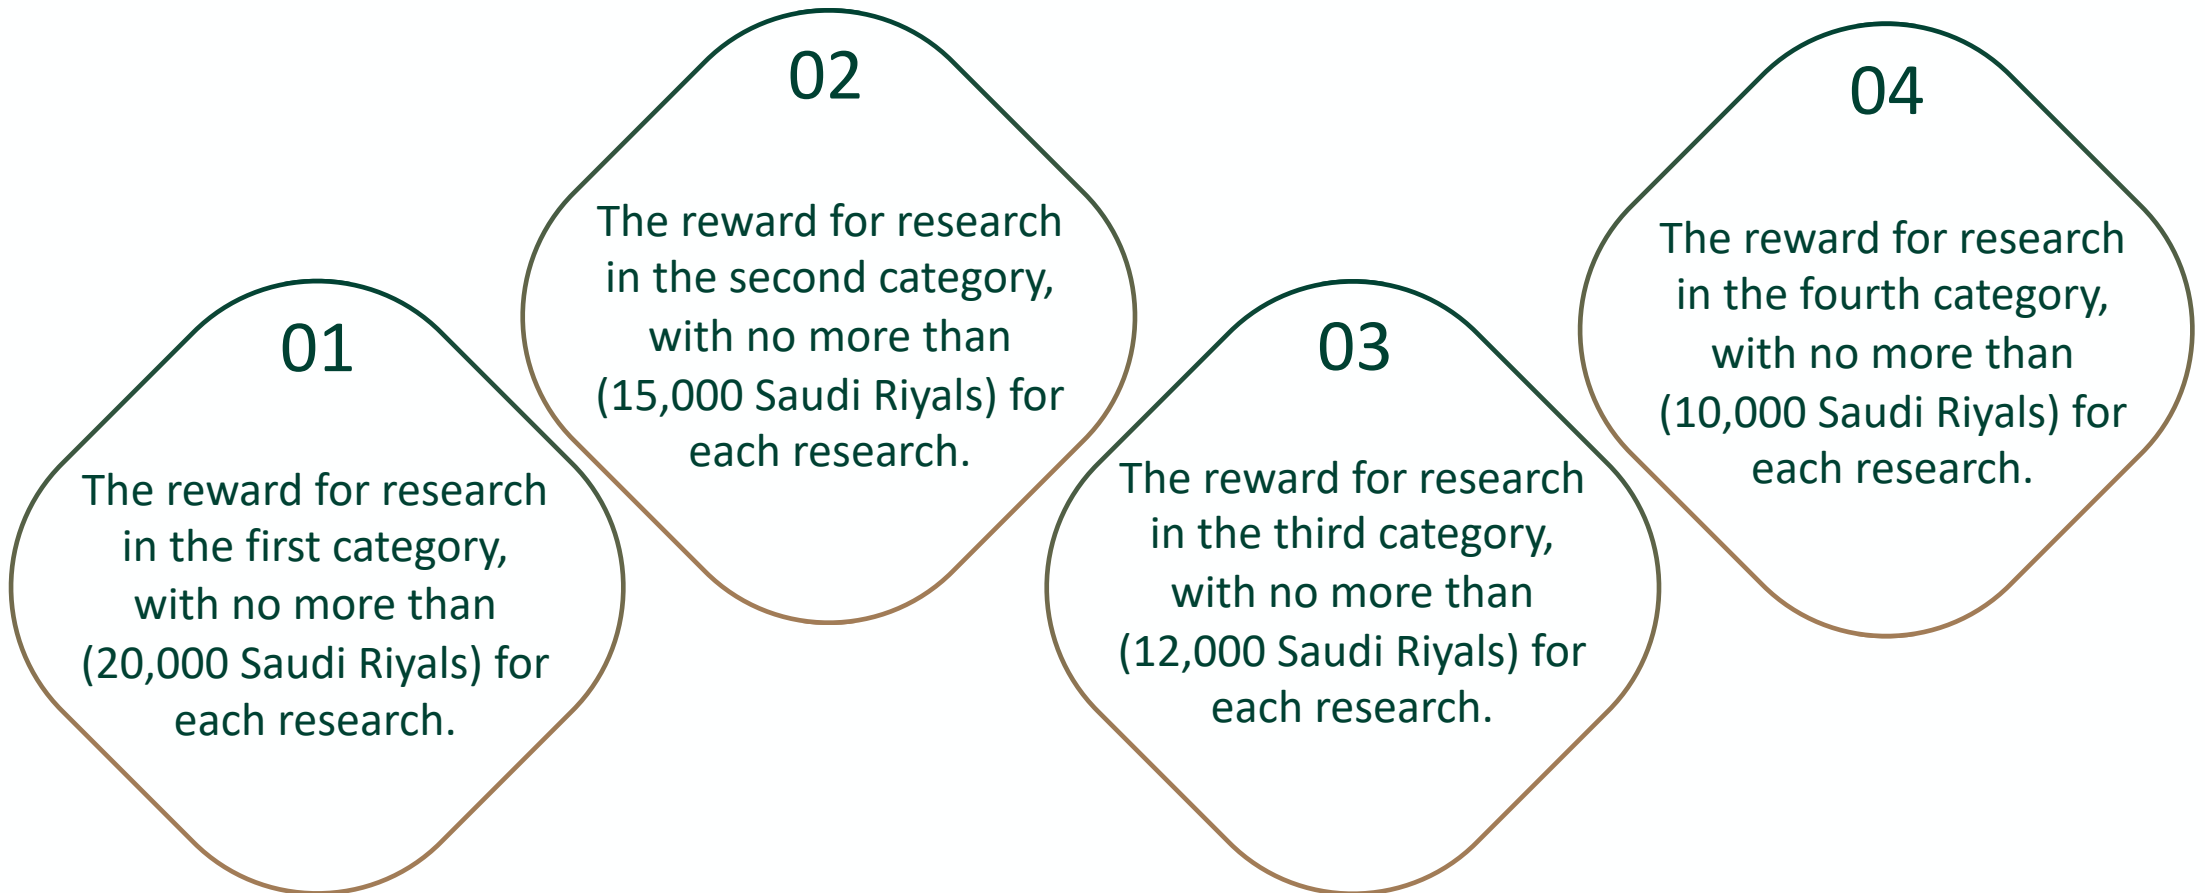

The researcher has the right to submit more than one application during the same financial year.

13

If both the principal researcher (First Author) and the Correspondence Author are from Shaqra University, the application must be submitted by the principal investigator in order to be processed.

# Financial Supports

The financial support is determined for each research based on the following categories:

# Application procedures

01
