555922365

falshehri@su.edu.sa

---

Assistant Professor, Shaqra University , Specialist Laboratories - Clinical Biochemistry

---

## Education

**2021**

University of Sheffield

PhD of Oncology and Metabolism

The project title is Development of a long-acting parathyroid hormone for the treatment of hypoparathyroidism

**2017**

Manchester  
metropolitan University

Master Degree of Biomedical science

The project Title is The use of cardiac troponin (I-Stat) by point of care to rule out acute coronary syndrome in patient presenting to emergency department with chest pain

**2009**

Umm Al-Qura University

Bachelor of Medical Laboratories

## Experience

### Shaqra University 2011 - Until Now

Head of Department Medical Laboratories 2022 - Until Now

Assistant Professor - Department of Laboratory Medicine,  
College of Applied Medical Sciences - Shaqra University  
2022 - Until Now

Academic Advising Unit Supervisor 2021 - Until Now

Internship Student Training Unit Supervisor Medical Laboratories  
Department. 2014 - 2016

## Committee memberships

---

Member of Development courses Council, Shaqra University

Member of Quality Clinical Medical Laboratory program Accreditation,  
Shaqra University  
Council member College of Applied Medical Sciences, Dawadmi,  
Shaqra University

Member of the Medical Laboratories Department Council College of  
Applied Medical Sciences, Dawadmi, Shaqra University

Member of the British Society of Endocrinology

Member of the Medical Association of Sheffield University Students,  
United Kingdom

Member of the University of Pittsburgh Student Committee, US

## Awards and honors

Obtaining a patent from the German Patent Center " Novel Telmisartan drug formulation in treatment of high blood pressure, heart failure, and diabetic kidney disease

Education and Training Evaluation Commission, Saudi Arabia, Academic Quality Practitioner

Acknowledgment - Medical College in sheffield university for the pass viva for PhD without correction

Best Research Poster Award at the Brighton Endocrinology Conference, UK

Study distinction from the The Saudi Cultural Bureau at the PhD level in London, United Kingdom

---

## Courses

Competency-based training programmes (Specialized competencies for the academic leader and Basic competencies), Shaqra University ( 30 Hours)

Education and Training Evaluation Commission, Saudi Arabia, 5-8/9/2021 Academic Quality Practitioner, (20 hours)

Course on how to measure learning outcomes, Shaqra university, 2022

Course in academic teaching methods for postgraduate students, Sheffield University 2019

Course on how to analysis data and statistic, University of Sheffield, 2018

Training course in techniques such as DNA isolation, PCR for genotyping animals, and western blotting with Dr Eric who works at Assistant Professor of Pediatrics University of Pittsburgh School of Medicine Children's Hospital of Pittsburgh of UPMC. May – July 2013

---

## Published research

,Faez Alshehri (<https://orcid.org/0000-0001-7991-0987>)

---

## Conferences

Development of a long-actin parathyroid hormone for the 2019 treatment of hypoparathyroidism. Presented at Society for Endocrinology BES 2019 ,Brighton ,UK .Endocrine. Abstracts 65 PL79

Assessment of a biological activity for long acting parathyroid 2018 hormone for the treatment of hypoparathyroidism. Presented at Society for Endocrinology BES 2018 ,Glasgow ,UK .Endocrin

Development of a biological activity for long acting parathyroid 2018 hormone for the treatment of hypoparathyroidism. Presented at Sheffield University 2018 ,Sheffield ,UK .Endocrine

---

## Teaching

Independent study	Clinical Chemistry	Clinical Biochemistry 3
Professionalism and Health care system		Instrumental analysis
