

## Appendix 7: Clinical Laboratory Program

| <b>Clinical Laboratory Program</b>                              |                        |                            |                   |                      |                                |
|---|------------------------|----------------------------|-------------------|----------------------|--------------------------------|
| <b>Behavioural / Performance Periodic Evaluation (Hospital)</b> |                        |                            |                   |                      |                                |
| <b>I- General Clinical Competences</b>                          | <b>5<br/>Excellent</b> | <b>4<br/>Very<br/>Good</b> | <b>3<br/>Good</b> | <b>2<br/>Average</b> | <b>1<br/>Below<br/>average</b> |
| <b>The student was able to:</b>                                 |                        |                            |                   |                      |                                |
| 1. Follow hospital regulations and codes.                       |                        |                            |                   |                      |                                |
| 2. Punctuality and initiative for work.                         |                        |                            |                   |                      |                                |
| 3. Adhere to safety rules.                                      |                        |                            |                   |                      |                                |
| 4. Exhibit verbal communication skills.                         |                        |                            |                   |                      |                                |
| 5. Work as a team member.                                       |                        |                            |                   |                      |                                |
| <b>TOTAL (of each column)</b>                                   |                        |                            |                   |                      |                                |
| <b>GRAND TOTAL= SUM OF ALL COLUMNS</b>                          |                        |                            |                   |                      |                                |
| <b>AVERAGE OF SECTION I (Grand total/5)</b>                     |                        |                            |                   |                      |                                |
| <b>II-Discipline Competencies</b>                               |                        |                            |                   |                      |                                |
| 1. Understand the principles of various tests.                  |                        |                            |                   |                      |                                |
| 2. Pre-analytical skills.                                       |                        |                            |                   |                      |                                |
| 3. Analytical skills.   |                        |                            |                   |                      |                                |
| 4. Post-analytical skills.                                      |                        |                            |                   |                      |                                |
| 5. Apply specimen acceptance/rejection Criteria.                |                        |                            |                   |                      |                                |
| 6. Log the specimens appropriately.                             |                        |                            |                   |                      |                                |
| 7. Record and report appropriate results to Supervisor.         |                        |                            |                   |                      |                                |
| 8. Comply with quality control measures.                        |                        |                            |                   |                      |                                |
| 9. Operate automated systems/instruments for analysis.          |                        |                            |                   |                      |                                |
| 10. Meet the goal set by the unit.                              |                        |                            |                   |                      |                                |
| <b>TOTAL (of each column)</b>                                   |                        |                            |                   |                      |                                |
| <b>GRAND TOTAL= SUM OF ALL COLUMNS</b>                          |                        |                            |                   |                      |                                |
| <b>AVERAGE OF SECTION II (Grand total/10)</b>                   |                        |                            |                   |                      |                                |
| <b>AVERAGE SUM OF SECTIONS I + II/2</b>                         |                        |                            |                   |                      |                                |
| <b>FINAL %</b>  |                        |                            |                   |                      |                                |

## Appendix 8: Clinical Laboratory Program

### Clinical Laboratory Program Behavioural / Performance Periodic Evaluation (Hospital)

Name of Hospital: \_\_\_\_\_  
Student Name: \_\_\_\_\_ University ID: \_\_\_\_\_  
Rotation Period: from \_\_\_\_\_ to \_\_\_\_\_

**Instructions to Evaluator:** The columns indicate numerical grades (<60 to 100). Please evaluate the level of competence at which the student performed in each category while on rotation in your laboratory by assigning a **numerical grade within one column**. If you feel a category is not applicable to your clinical situation, please mark "N/A". Add additional lacking categories in our form as you deemed necessary for evaluation.

#### OVERALL PERFORMANCE

Grade: \_\_\_\_\_

If unsatisfactory, what recommendations would you like to make?

Repeat the training for whole rotation period       Repeat \_\_\_\_\_ tasks for \_\_\_\_\_ weeks

Evaluator's Name: \_\_\_\_\_

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

**Note:** Please could you send the evaluation to: [iams@su.edu.sa](mailto:iams@su.edu.sa)

**Appendix 9: Summary of Clinical Laboratory Internship Evaluation**

| S. No. | Clinical Discipline   | Final Evaluation |       |
|--------|---|------------------|-------|
|        |   | Percentage (%)   | Grade |
| 1      | Sample collection & Sample receiving & processing area        |                  |       |
| 2      | Hematology  |                  |       |
| 3      | Clinical biochemistry   |                  |       |
| 4      | Microbiology  |                  |       |
| 5      | Immunology / Serology   |                  |       |
| 6      | Virology  |                  |       |
| 7      | Blood Bank  |                  |       |
| 8      | Parasitology  |                  |       |
| 9      | Hormones  |                  |       |
| 10     | Send out sample   |                  |       |
| 11     | Special training  |                  |       |
| 12     | Educational Activity ( Research in the special training area) |                  |       |
|        | <b>Total percentage (%)= sum of all %/12</b>                  |                  |       |
|        | <b>Final grade</b>  |                  |       |
