About Shaqra University

| About Shaqra University

Shaqra University (SU) was established on the third of Ramadan 1430 (August 24, 2009). It is located in Shaqra, Saudi Arabia, 190 km (120 mi) northwest of Riyadh. The university is supervised by the Ministry of Education, and it has several colleges offering various academic disciplines. It is headquartered in Shaqra with its various colleges being geographically spread across a wide area of approximately 400 km² (150 sq mi). The university currently has 20 colleges distributed in several governorates and sub-governorates, namely Shaqra, Al-Quwaiyah, Al-Duwadimi, Sajir, Dhurma, Afif, Al-Muzahimiyah and Thadiq.

Shaqra University looks forward to the achievement of overall objectives, represented in preparation and development of national human resources in response to the needs of development and the needs of the job market, that is in addition to the enrichment of scientific research and development of graduate studies to satisfy community needs and development issues.

Vision and Mission

Vision

Outstanding Education, Influential Scientific Research, Vibrant Society
